„It's not only about skills or a technical procedure...it's about the transfer of a feeling from yourself to the audience at the right time and the right place...this depends on the mixture between ability and coincidence" ~ Maxon ~

Maxon was born in 1980 in Münster/Germany and has norwegian roots. Inspired by his older brother, mother earth, technology, water, humans and music.

Electronic music is a passion since the early 1990ies.

He is a freethinker, resident @ Club Charlotte / Germany & labelhead of Tonboutique Records.

Several globetrotting artists have released music on Maxon's own imprint Tonboutique Records. Music and remixes by Matt Sassari, Dapayk, Alfred Heinrichs, Khainz, Maxon and many more.
