About KWADI

KWADI's unique voice combined with a progressive mix of
Sounds, characterizes the incomparable style of KWADI.

He was born as in Accra Ghana and moved to Germany when he was 10 years old.

KWADI has managed to combine his musical roots and origin as an African with his new home and is able to bring people with different backgrounds, races and Gender together with his music.

He is now inspiring people all over the world with his experimental and at the same time very accessible sound, which is Electronic Music, mixed with pop elements and a soulful voice.
