

# TELERRAPTOR

## BIO

Rave-punk, acidic and colorful.

Sharp yet refined like crystal nails

Heavy AF like war drums .

Téléraptor is the assemblage of MC/Singer/Nailartist extraordinaire Texto Dallas and devastating yet mysterious beatmaker Toïyo.

Together they provide a hybrid-rave sound flirting with influences like gabber, internet2000, rap, D&B, trap and oldschool.

Everything takes shape on stage: sweat, laugh, scream. Every concert celebrates the party and no one get out alive.

## ▶ BESTIALITY

(EP - 5 Tracks)  
2020

**Tracklist:** Backflip / Ichibang / Pause Dallas / Liquid Acid / Le Sacre de la Cuisse.

1st EP. The first steps towards hybridation. A colorful, roaring, multiform monster called Téléraptor.

“J’ai tenté un backflip dans une piscine sans eau”

## ▶ SUR LE VENT

(Single)  
2021

A slow! Imagine a pop-to-low-gabber ballad inspired by legendary duo Garou & Celine Dion. ‘Sous le vent’ in a special karaoke single talking about itself.

## ▶ RINGTONES ‘N’ SHIT

(Pack de sonneries de telephone)  
2021

The confinement inspired us to make a ringtone pack. A present to remember the good old days of Nokia 3310 and text messages limited to 44 letters

“What? You didn’t download the new téléraptor ringtones??”

# Music Videos

## ICHIBANG

2020

The band dives right in and take the viewer into a pagan ritual made in honor of the 'MIGHTY FUCK', a hug middle finger pointing to the sky, the perfect destination for the band.

## BACKFLIP

2020

Backflip is the videotape souvenir of a paradise-lost summer in Marseilles. Texto & Toiyo decided to document their adventure in the old city shores.

To watch in your bath, under the blanky or in a 10€ tent at a festival.

## HAPPINESS

2021

3eme clip. 1er titre en Anglais. 1er feat avec la japonaise Lelegenix

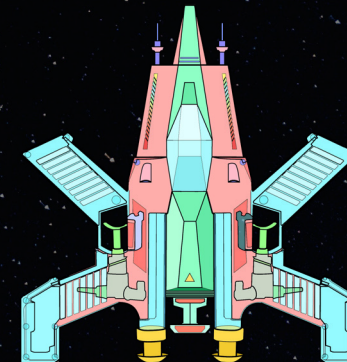

This clip is a huge shout-out to Nailart, with a touch of Kawaiï and lyrics a bit more 'f\*\*ked up than you think once you translate the japonese.

## TURBO KERMESS

2022 (Coming soon)

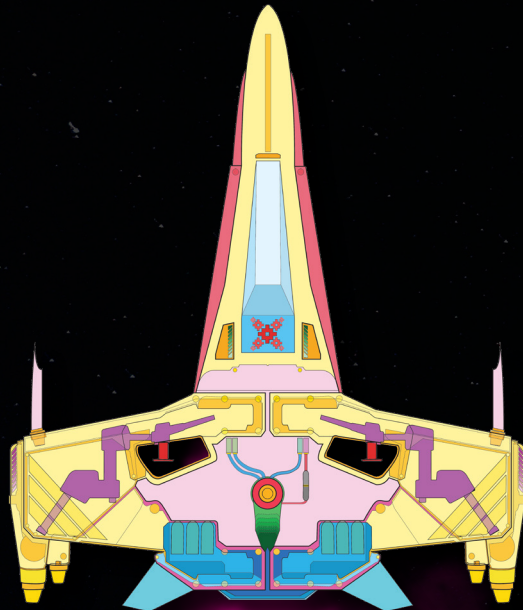

4th music video. Clearly our most ambitious project. TK is a homage to muddy festivals and cheap beer, a moshpit in a straw bales arena to open the festival season with strength and voluptuouness.

# Live Shows

Téléruptor lives on stage, like a double redbull with no vodka. Everything shakes between nailart moshpits and boxing matches with rubber gloves. Special option to bring a 4m high middle finger sculpture.
