Biography:

King D grew up on the street of East London. With rough up brings he found his way to the music department at school and eventually mastered the electric bass. After some major highs with his band including TV. sessions work, touring internationally. King D decided to channel his energy help young people who were at risk of gang violence on the streets that raised him. Yet, King D never forget his musical roots continuing to play in various bands while supporting young artists.

Current Music Projects:

Now King D is releasing his Debut solo album project. "Revolution of the Spirits"
Yes, you will finally be able to hear his gritty vocals, poignant lyrics as well as his instrumental skills. King D has spent years mastering his craft with the very best. Listen to "Revolution of the Spirits" and truly see what he can do.

Here are what some of his fans had to say about him:

Geneve -

"I just want to thank you for your existence. I'm not able to find words for the feeling I have when I listen to your songs. It was pure chance that I have found you on N1M..and I'm so glad about it. Well, my favourite song is 'REVOLUTION'. keep spreading your music!"

Roberta -

"Hello, I give an early Thanks to you this season. Not a day goes by I don't listen to your music. It's awesome and looking forward to many more great works by you".
