# Mother of Pearl – Booking Specifications

**Artist Biography:**

Mother of Pearl is an experimental rock band with a modern twist based in Brighton and Kent and Sussex. Taking influences from artists such as Led Zeppelin, The Cure, Half Moon Run and Kate Bush.

Formed in May 2013 Mother of Pearl have been scouring the local music scene playing original material in their live shows. Plans for the future are to release a debut EP in 2015.

Mother of Pearl are unique to the music scene with their raw and organic approach to song writing and pushing the boundaries of contemporary experimental rock.

**Rates:**

| Venue Type | Cost | Time |
|---|---|---|
| Music Venue | £120, this includes travel. | 45 minutes – 2 hours. |
