TECHNICAL RIDER

First and foremost, we would like to express our gratitude to you for showing an interest in arranging the concert of Trobecove Krušne Peći. Below is a list of our technical requirements. It is there to make sure we are able to do an optimal and efficient sound rehearsal on the day of the concert, as well as play the concert itself. If you have any questions or problems obtaining any of the equipment stated, please contact us in advance so we can resolve the issue together.

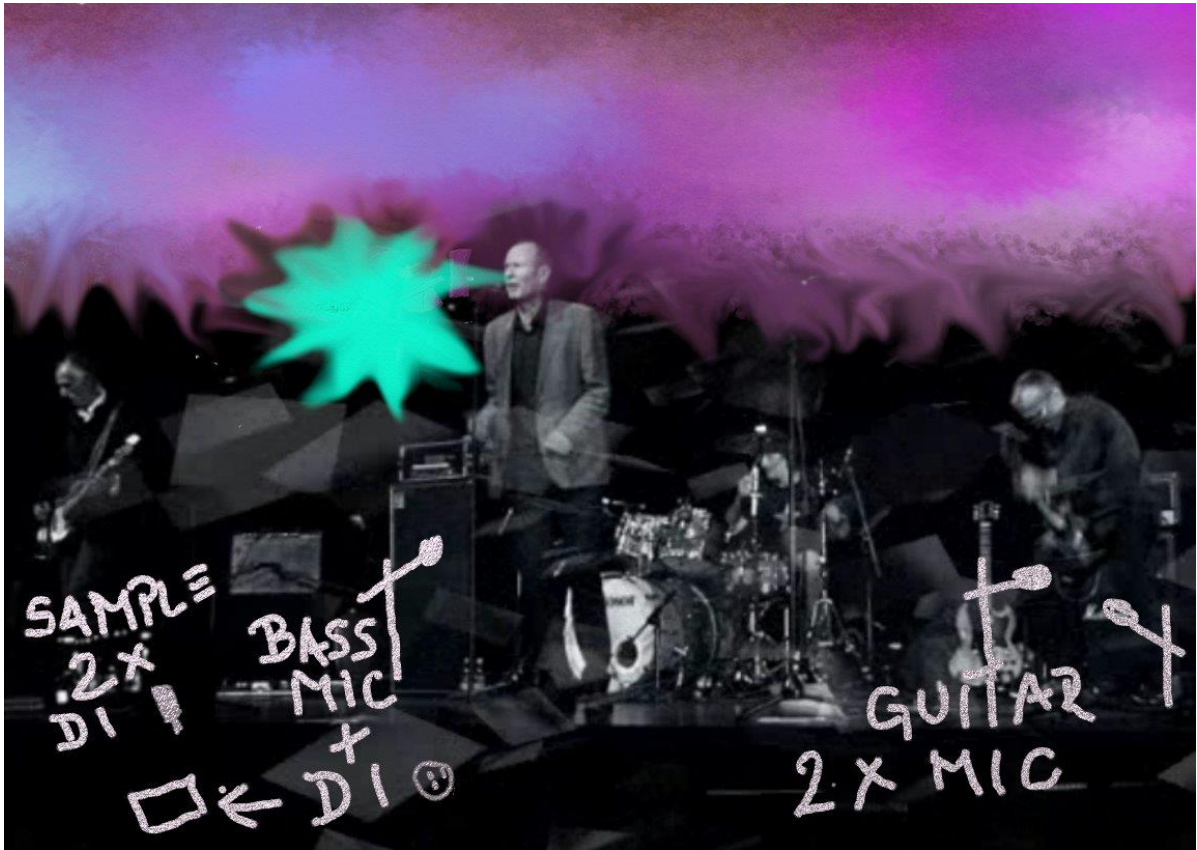

BACKLINE		
1.	Marshall 100 W tube Head + box 4 x12" (4x10") or Fender Hot Rod DeVille 212/410	El. Guitar
