

# EXOCORE – *BIOGRAPHY*

EXOCORE is a newly founded band, located in Northern Italy. With its unique style, the band seems to not acknowledge boundaries between styles or eras, mixing together elements of Rock, Metal, Hip-Hop, Folk, Acoustic and Alternative. Following a path without an end in sight, the main goal is to communicate PASSION and MEANING through sound, lyrics and aesthetics.

Since the band has just recently released their first songs, there is still a long road to go, but all members have already gathered quite some experience on the stage.
