Accommodation

5 single rooms with Private Bathrooms & WiFi.

Breakfast Included Please. We are known to be flexible. Please let us know what we are getting. BUT : After many nightmares: Absolutely NO Hostels or hotels with shared bathrooms. Please make sure the hotel is maximum 10-15 minute walking distance from the venue. We really hate driving after a show. Thanks!

Transportation

Please provide (and pay for) an adequate parking space. The band travels with a large VW Crafter van (height 2.70). Most garages are too low.

Food

1x Vegetarian | **3x** Regular

1x Kosher > NO Pork / NO Shellfish / NO Meat prepared with Milk products
No known allergies. All vegetarian/vegan is fine. Any warm meal that includes fresh stuff is great. Side salads are awesome. We like a good FEAST! Please make sure there is some food and snacks upon arrival and after the show.

Drinks

We Like Local Beers, White Wine (Especially Germanic whites), Sparkling Water, Tea, Espresso, Cappuccino, FritzKola Drinks, Club Mate, Apfel Schorle, Rhubarb Schorle, Whisky/Local schnapps. OPEN-BAR Please!

Backstage/Stage

Stage : 5x Towels - (min.) 15x Bottled water - (min.) 15x Bottled beer

Backstage : Lockable backstage, with warm water-soap-mirror, and preferably a private toilet. We LOVE seeing a Bottle of fine Whisky, nice dark chocolate, good iron/ironing board as well.

Thank you for the hospitality!
