Stage Plan

Monitor Mixes

Mix One - Dave Banks

General mix, with his voice and his guitar most prominent. Luke's voice to be louder than Ben's.

Mix Two - Ben Haswell

General mix, with his voice, his bass and Dave's guitar most prominent.

Mix Three - Luke Tuchscherer

General mix. Voice most prominent. Quite a bit of kit through the foldback, especially kick drum.

Backline Requirements

Dave - Guitar:

Fender Twin (not Twin Reverb!), or similar two-speaker amp such as Deluxe or Deville.

Ben - Bass:

100-watt amp with DI, such as Ampeg Diamond Blue.

Luke - Drums:

Drums:

22" bass drum, 14"x6.5" snare with Remo Ambassador head, 12 or 13" rack tom, 14" floor tom and 16" floor tom. If two floor toms aren't available, a kit with standard rock sizes (22" bass, 13" rack, 16" floor) is fine. Remo Pinstripe heads on the toms.

Cymbals:

14" hi-hats, 20" ride, 18" crash, 19" crash. Zildjian preferred (K Dark Thin Crashes especially), .

Hardware:

Hi-hat stand, two straight cymbal stands and one boom stand. Snare stand. DW4000 foot pedal.

Extra:

Drum throne. Rug/mat for underneath kit.

Channel List

Channel	Instrument	Microphone	Stand	Stage Position	Phantom Power	Inserts
1	Kick	Beta52/Sennheisser 901/D112	Small Boom Stand	Back Centre Stage		Gate
