

SPT PRESS QUOTES:

"Stephen manages to create music that spans generations and that will definitely stick in your head for a while"

- vinyl-keks.eu

"(SPT) is a brilliant artist with many facets at work... Stephen Paul Taylor is the ultimate synth-pop troubadour: addictive tunes, humorous gene-storytelling, extravagant disguises and vaudeville fun all rolled into one act"

- Simone Berger, www.crossfire-metal.de

"And the music has it all: sometimes ERASURE, sometimes S.P.O.C.K., sometimes NEW ORDER. But definitely a lot of Eighties feeling to relax and have fun"

- www.blueprint.fanzine.de

"Taylor has a high emotionality in his voice, with which he arouses great enthusiasm"

- www.badblack-unicorn.de

"Classic, minimalist electronics create a monochromatic atmosphere of synth-pop, which Taylor knocks out of the speakers with his provocative voice and the no less provocative lyrics"

- www.westzeit.de

"(SPT is) a firecracker!"

- Dick Valentine, lead singer of Electric Six

"SPT is a bird of paradise in the music business" - Mucke und Mehr, <https://www.mucke-und-mehr.de/musik/cd/spt-2020/>
