

## **Technical Rider**

### Media-Player:

- 2 x Pioneer CDJ 2000nxs, linked together

### Mixer:

- Pioneer DJM-850 or better

### Monitoring:

- ideal from both sides
- only from the right side (right ear), from the front or from the back is ok
- only from the left side is not possible!
- monitors have to be controllable from the mixer

### Beverages:

- nothing special, but have to be non-alcoholic
- would be glad about non-alcoholic beer

### Catering (if agreed):

- vegetarian only
