

Screen for projected visuals

TECH SPEC

- 8 XLR inputs
 1. Vox (dry)
 2. Vox (wet)
 3. Keys (dry)
 4. Keys (wet)
 5. Synths
 6. Kaoss Pad
 7. Sample Pad
 8. Backing Tracks
- Drums
- 1 Vox mic and stand

N.B we have our own 8 way passive DI rack and a 15m loom, as long as the desk has 8 XLR inputs and 8 cables. Unless told otherwise, we will bring only breakables for the drums, and ask that the venue supplies the mic/stand and monitors.

We are able to bring our own projector, but in most cases use the venues own projector and screen.
