

[LEAK]

Technical Rider

v. 12.04.2022

This Stage Rider is a fixed component of the contract. All listed elements – especially those regarding audio technical requirements – are necessary for a successful execution of the show!

CREW

6-person Crew (5 Musicians, 1 Sound Engineer). Occasionally the size of our travel party may vary. Please consult us prior to the gig to prevent misunderstandings.

TRANSPORT

Sprinter

CATERING

We are happy to receive some food (preferably vegan), fruit and Beer. No food allergies.

STAGE

The minimal stage size required for our setup is 4 metres wide and 2 metres deep. The surface needs to be completely flat and empty.

TECHNICAL REQUIREMENTS

LEAK is traveling with a complete Audio production, we solely require a PA.

-PA must be appropriate for the size of the venue!

We do not accept self-built PA systems.

-On stage we need 3 Microphone Stands: 1 straight w/ round base, 3x tall w/ Boom.

-We require a network line from stage (left) to FOH. The line should be a shielded CAT5e at least. If this is not available at the Venue, please contact us!

-The FOH mixing position should be placed centrally in front of the stage.

-We need about 1,20m space at FOH.
