## TECHNICAL RIDER & STAGE PLAN

Thank you for your interest in booking a show with Matty Rea. Below there is a simple list of the technical set up required. If there is any problem providing any of the requested equipment please do not hesitate to get in contact before the festival.

### STAGE SET UP

**1 Drumkit**  
**2 Microphones with stand (2x Shure SM58)**  
**2 Amplifiers**

Assuming there is a well sized PA system provided for the festival we only ask that the drummer and both guitarists have their own monitor.

## ADDITIONAL EQUIPMENT

### SOUND & LIGHTING

We do not have a regular sound or light engineer so we depend on the 'staff on site'
