Crew & Catering Needs (guideline)

Crew

If booked as a full band, we are a crew of 3 people / band members

Food

- fully vegan
- We do not require any kosher food.
- As snacks we appreciate bread, vegan hummus, vegan falafel, nuts, salad, vegan cake or dark chocolate.
- As warm meals we appreciate soups or meals of carbohydrates (vegan pasta, white or brown rice, quinoa) / legumes (chickpeas, red lentils) / vegetables both cooked and fresh.
- As hot drinks we appreciate hot herbal or ginger tea (especially in the winter time), black tea with plant-based milk and black coffee.

Drinks

- We appreciate full access to alcoholic and non-alcoholic drinks.
- We require that during our show we have still water on stage.

Accommodations

- we appreciate 2 separate rooms (1 double bed, 1 single bed)
 - 2 band members are a couple and can share a bed
- if necessary, we can bring our own sleeping bags and blankets but we do require mattress (also, we would be very thankful for some pillows and a warm shower after the show)
