

Josh Island - Tech Rider (4 Musicians)

- **No specific stage size**, but should accommodate at least four musicians comfortably
- All musicians play with **in-ears** (provided by band). Please communicate well in advance if monitor packs can be provided by venue or not (have wedge monitors on standby)
- Pedro (drums) brings mixing desk for in-ears, requires **2 return channels from FOH**
- Risers both for **drums** and **keys** (don't have to be high, 10-20cm)
- Small flight case or black boxes required for **lightbox** on stage
- **Wireless vocal microphone** preferred as Josh moves into the audience
