

Ben Haviour LIVE Concert Tech Rider

Thank you very much for your invitation! We are excited to be able to perform at your event. Our goal is to ensure a perfect sound and an ideal experience for the whole audience. When selecting the equipment, please pay attention to quality and provide a PA system with powerful subwoofers that is suitable for the space and evenly covers the audience area.

Synths

16" MacBook Pro + Audio Interface - 2 Channels (2x Line Balanced Jack TRS)

USB Midi Keyboard - 61 Keys

Vocals - 1 Microphone (e.g., Shure SM 58) on large boom

Table - BÜTEC **at least 105cm high! 100cm deep, 200cm wide**, covered with black Molton

Drums

Kick, Snare, Rack Tom, Floor Tom, Ride, Crash, Hi Hat

Talkback - 1 Microphone (e.g., Shure SM 58) on small boom

Screen / LED Wall

h264 Video stream 1920x1080p - HDMI

Please provide a projector with sufficient brightness for the venue. Make sure that the distance between the projector and the projection surface is enough so that it can fill the entire surface.

Ben Haviour also performs without a visual show. Please prepare an equivalent light show for this and organize a light artist.

Hospatality Rider

Beverages

6x 0.33 liters of still water

2 bottles of regional white wine

Food

Vegetarian food and small snacks (fruit, nuts) for the backstage

If catering is not available, we accept a buyout of €20 per person.

Accommodation

A hotel/guesthouse with two separate bedrooms. If necessary, we can also stay in private households.
