INFO

The band consists of
2 persons.

One person is gluten free.

We're happy with whatever
food & drinks you can provide
as long as there's a bottle of
fresh water for each of us.

We'd appreciate a good sand-
wich and a cup of tea before
the gig. Cold beer and a warm
meal after the gig would make
us even more happy. We like
steak. Our beer preferences
are Heineken and (tap) Guin-
ness. Candy, juice, light coke
& coffee in the backstage are
also welcome.

Feel free to contact us with
any questions.
