

FUZZY GRASS TECHNICAL RIDER 2023

MUSICIANS AND EQUIPMENT

Audric, Singer & Keyboardist

- Personnel Mic : Akg D5 on Boss VE-20 effect pedal
- Roland Vx-8 Organ + Monotron & Theremin
- Elka Leslie Amplifier or Stereo DI
- 4 power sockets needed

Laura, Guitarist

- Sovtek tube amp head + Cab 2X12
- 2 power sockets needed

Thomas, Bassist

- Fender Bassman tube amp head + Cab 2x15
- 2 power sockets needed

Clément, Drummer

- Gretsch Catalina Club Rock drum kit (26'' Bass drum with no resonance hole, tom tom, floor tom) + Ludwig Supraphonic 6,5'' snare, HH, 2 crash, 1 ride
- 1 power sockets needed for Ear Monitoring Box

We come with our drum kit and amplifiers.

Shared backline is possible if decided in advance. We'll need technical specifications of the proposed equipment. If it doesn't suit us, we may refuse it.

SOUND SYSTEM

Mixing table with 13 in and 4 aux buses for stage monitors

- 1 mono or stereo XLR for vox pedal
- 2 paired mics for the Leslie (or stereo DI)
 - 1 mic for guitar amp
- 1 mic for bass amp (we prefer not using a DI for the bass)
- drum mics kit (with 1 mic on the bass drum batter head
(cf "Patch proposal"))

PA System

- Provide a high quality sound system adapted to the place
 - sub woofer appreciated

Stage monitors

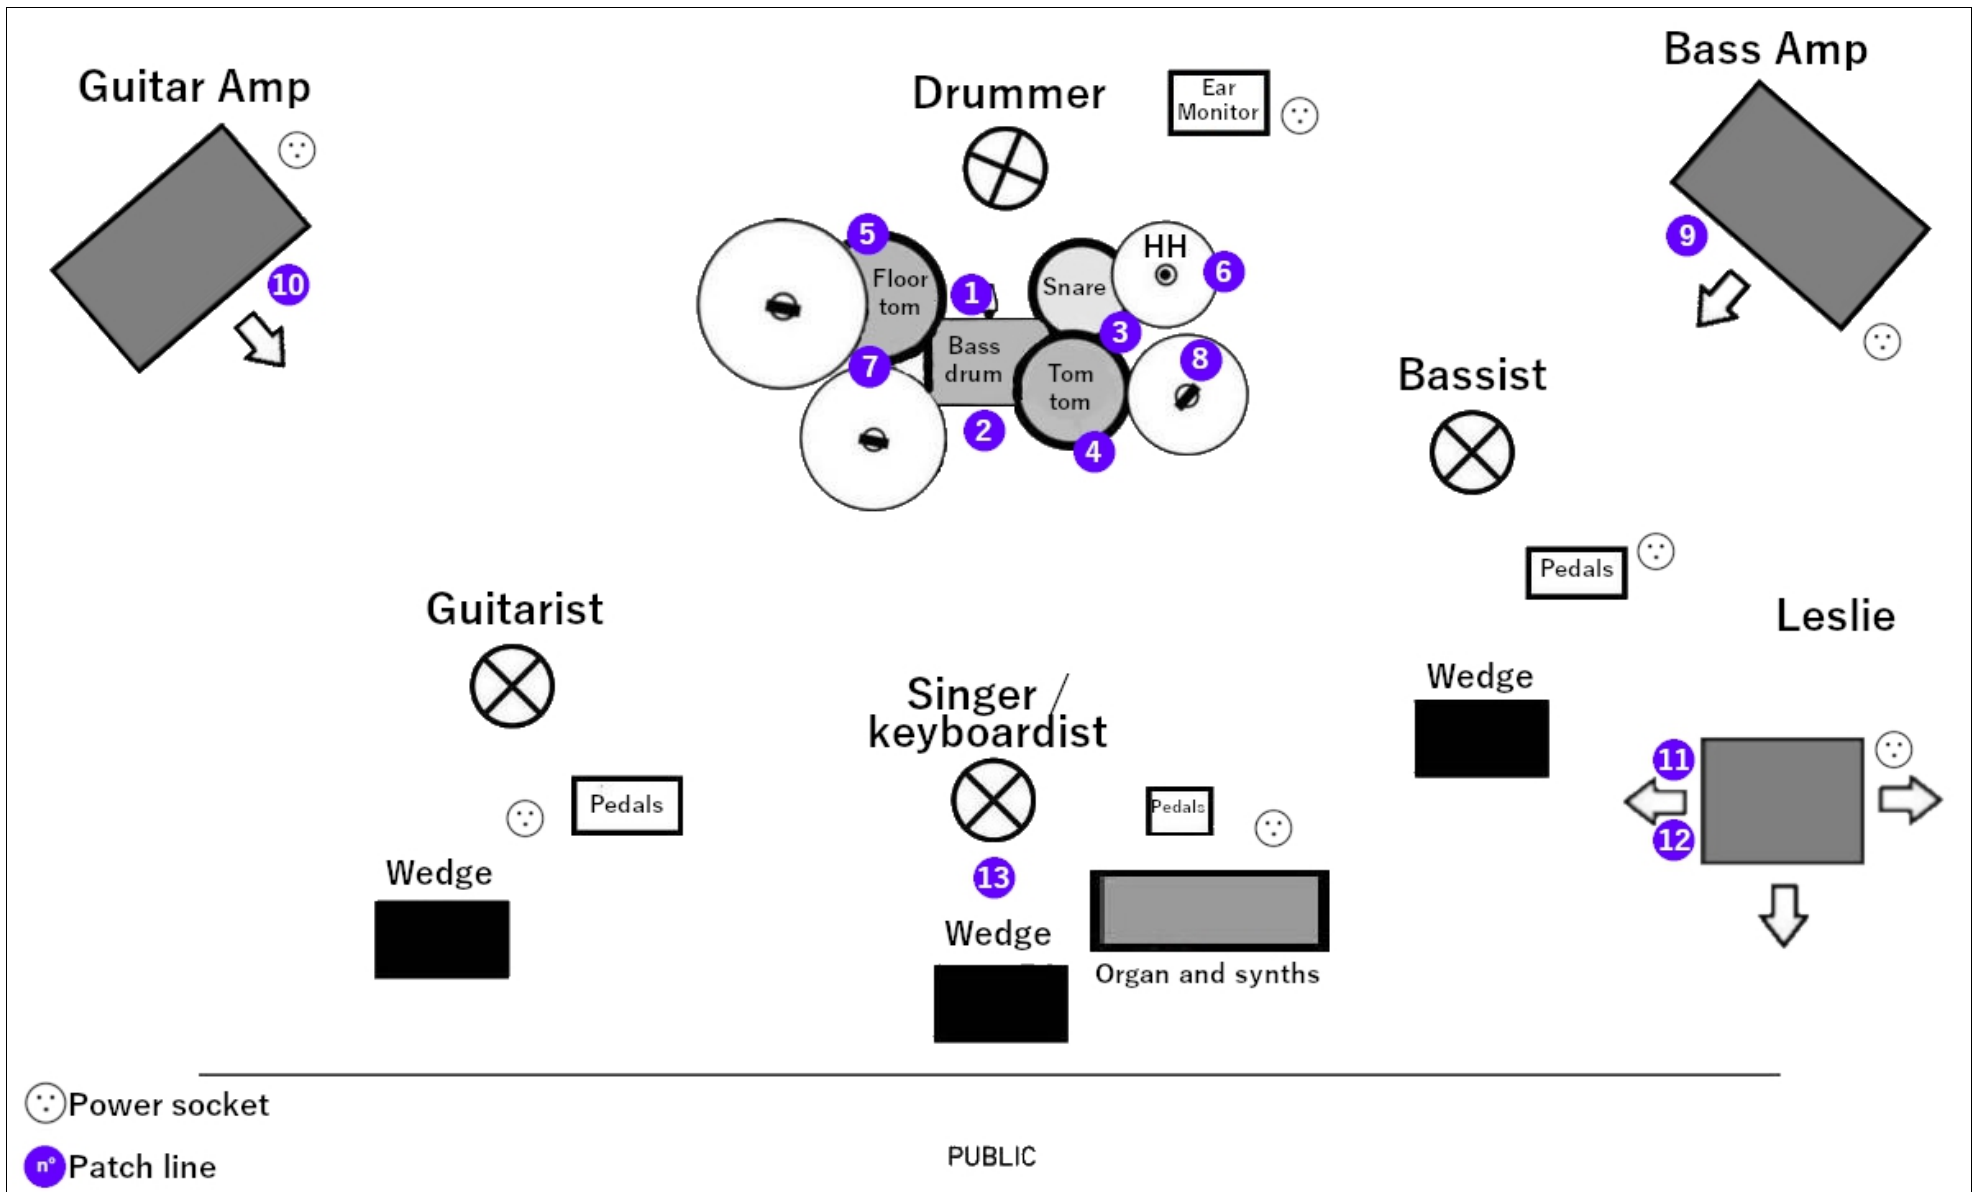

- 3 wedges
- 1 XLR line for Ear Monitoring Box (drummer)

In case of outdoor show, provide a gazebo and otherwise tarpaulins

Guitar an Bass cabs may be put in "side position" if needed (we cannot play too low on the amplifiers)

Prefer the most natural sounding mix !
