Currently in the finishing stages of producing our debut album, we are set for an exciting year ahead with the release of the album, soon come...

Previously released : "Oh Afreeka", "We all are witnesses", "Mon Amour" are available on all digital platforms. We also collaborated on some "one riddim" releases: "My vibration" produced by Full Force Click Muzik (heard on BBC one xtra) and "Father to the Fatherless" produced by The Mighty All Stars band (UK).

OUR LIVE STAGE SHOW IS
A REGGAE EXPERIENCE MIXING
OUR ORIGINAL SONGS WITH
SOME GREAT STANDARDS.
ALONGSIDE A LIVE BAND OR
A BACKING DJ.
