

healthy *drum&bass music*

Technical Rider

Turntables:

- 2 x Technics 1200, with additional needles

CD-Player:

- at least 1 Pioneer CDJ-800 or better

Mixer:

- Pioneer DJM-500 or better

Monitoring:

- ideal from both sides
- only from the right side, from the front or from the back is ok
- only from the left side is not possible
- monitors have to be controllable from the mixer

Beverages:

- nothing special, but have to be non-alcoholic
- would be glad about non-alcoholic beer
