### **Originality Critique**

A very beautiful composition and love the sax player. The overall arrangement is first rate. Very tasty horn and flute parts and a great rhythm section. I love how the composition develops and it's very original.

### **Phrasing Critique**

Excellent phrasing of the melody.

### **Composition Critique**

It's a first rate composition and just love the overall arrangement.

### **Melody Critique**

The melody really sticks in your head.

### **Impact Critique**

This is a very impactful composition.
