Thank you in advance for your hospitality. The Spider Ferns are a duo. There are only TWO of us to accommodate. We occasionally have a +1.

### FOOD:

The Spider Ferns are Vegan. We do not consume any animal products of any kind. We DO NOT eat the following foods:

- Meat
- Fish
- Milk
- Cheese
- Butter
- Cream
- Eggs

We enjoy all other foods in abundance. We enjoy all cuisines from around the world and are very flexible in our meal choices. We would like warm or hot meals as available. Vegan snack foods are welcomed as well.

### BEVERAGES:

The Spider Ferns appreciate Hard alcohol and Red Wine. We do not consume beer. One or two bottles of red wine or access to cocktails or drink tickets where we may choose our own beverage are welcomed. We would like bottled water and hot tea and sugar is welcomed.
