

## **Hospitality rider and info sheet Fake Lab**

Hey there, thanks for having Fake Lab rock your stage! We get that every gig is unique, and not everyone can offer the same things. So, consider this less of a demand list and more of a wishlist of what makes us feel comfortable and ready to put on a killer show.

### **Travel party**

Expect 3 musicians and 1 band manager.

### **Drinks**

- Before the show, we appreciate water, tea and coffee (for 4x, please!).
- We LOVE bottles of water (3x bottles) on the stage.
- We're not heavy consumers of alcohol, although we do like some alcoholic drinks before and after the show. Beer is much appreciated (8x good beer).

### **Snacks**

Sandwiches (both vegetarian and not) and fresh fruit hit the spot for us!

### **Meal**

If dinner's included, a hot meal for everyone (we're a hungry bunch of 4!) would be awesome. No allergies here, and 1 of our musicians is a vegetarian.

### **Extras**

Backstage space for changing, prepping, and unwinding after the show is always appreciated (even if we're not shy about our stage wear).

That's all! We're flexible and just excited to share our music with you. Let's rock!
