

A woman with dark hair, wearing a black choker, a black long-sleeved cape, and a black form-fitting dress, stands in a desert landscape. The background is a warm, orange-brown desert scene with rolling dunes and some sparse, dark vegetation. The overall mood is dramatic and artistic.

# NOANNE

Prague's **NOANNE**\* is a creative whirlwind, crafting music that's both emotionally raw and sonically adventurous. She is not only a musician and songwriter but also **an ambassador of Web3 and a member of the World of Women community**\*, achieving milestones in just nine months that many seasoned artists would envy.

The debut music video for "**Goodwill**" has garnered numerous accolades, including laureate, finalist, and winner titles at various music video festivals. Securing a spot at the prestigious **Oscar-qualifying HollyShorts Film Festival** has significantly bolstered NOANNE's reputation as a rising star.

NOANNE's music gains additional depth and drama thanks to esteemed producer **Gregory Darling**\*, known for his collaborations with **Julian Lennon**\* and contributions to the cinematic worlds of **Tarantino**\* and **Morricone**\*.

Her talent has also been supported by the legendary **Vicky Hamilton**\*, who discovered **Guns N' Roses**\*. From the very beginning, NOANNE received recognition from top publications like **Wonderland**, **Notion**, and **Earmilk**, with streaming numbers reaching hundreds of thousands for her second single, "White Glove."

NOANNE has captivated audiences at the **Berlin Music Video Awards (BMVAs)** 2024, the **Prague Music Video Awards** in April 2024, and the pre-premiere of "Careless" at **Lisbon's AIFA** in May 2024, where she was invited by the legendary **Claire Maguire**\*. Most recently, on June 29th, she performed at the **Artificial Superintelligence Alliance** summit in Turkey, sharing the stage with the famous **Sofia**\* the robot. At this event, NOANNE firmly rooted herself in the technology community by fusing AI visuals with cinema and outstanding music. However, NOANNE's music transcends the stage.

**Her third track, "Forgiveness," is set to be featured in the highly anticipated Hollywood film "Six Days in Evergreen."**

With her innovative sound and compelling storytelling, NOANNE continues to push boundaries and captivate audiences worldwide. Her journey is just beginning, and the world eagerly awaits what she will create next.
