## **HOSPITALITY RIDER REBEKA 2015**

### **THIS RIDER IS AN INTEGRAL PART OF THE CONTRACT**

**The party is 4 people.**

**We would greatly appreciate your help with the following:**

#### **TRAVEL:**

If the band is arriving by plane or train, please provide (at the band's arrival at the airport/railway station) a local transport (taxi, car, van) from the airport to the venue for 4 people and the backline brought by the band.

If the band arrives by car, please provide a secure parking place both at the venue and the hotel.

#### **LOAD IN:**

Rebeka will need to load in at least 30 minutes before sound-check.

#### **BACKSTAGE:**

A well secured (closed with a key entrusted to the tour manager on arrival), private, heated, clean, well-lit and comfortable dressing room is required for the sole use of the band, with a sofa and a mirror, power source and direct access to a fully working, clean washroom (with toilet paper 😊).

Please provide a free WIFI Internet access.

#### **MERCHANDISE:**

Please provide an area located in a reasonable, accessible spot with a table for our merchandise. No commission from the sales will be paid to a promoter, venue, or any third party.

#### **SPONSORSHIP:**

If the event is sponsored or co-presented by a commercial or non-commercial company, or done as a benefit for a cause, Rebeka's management must agree to this in advance. No advertising whatsoever will be allowed to be on the stage, if not agreed upon in advance.

#### **SMOKING:**

Please, NO SMOKING policy both in the house and backstage.

#### **GUESTLIST**

We'll need a guest list of at least 2 people, if possible, thanks!

#### **SAFETY:**

The promoter is responsible for the safety of the band, their property and the backline they bring with them. After the sound-check we will leave the backline on stage. It's very important to us that it remains there when we get back to play the show, as we left it.

Please supply stage guards and barriers when needed. It is your responsibility to have a proper liability insurance and equipment insurance.
