Access and roadmap

In order to organize our tour, can you please make sure to provide the following informations :

- schedule of the date : get in, load in, soundcheck and show.
- e-mail and telephone contacts of the host staff: production & technicians
- complete technical file of the venue or festival.
- addresses and/or GPS coordinates of the venue, the unloading site, the hotel.

Reception and Catering

There are no special dietary requirements amongst us, but healthy, local and seasonal meals & products are welcome ! We would appreciate a bottle of (good) red wine and plenty of fresh waters.

Single-use plastic packaging and basically anything useless may be avoided.

Dressing room

Please provide the artists a non-smoking dressing room, which they can lock , with a wifi connection and a mirror.

Hosting

Please provide an accommodation with a double bedroom for two

Parking spot

Please provide a safe parking space for a van
