Biography

Born from a lifelong passion for underground electronic music, DJ Sorokin began his journey behind the decks in 2024 — after over three decades of immersing himself in clubs, festivals, and immersive soundscapes across the globe.

With roots in Saint-Petersburg and a heart that beats to the rhythm of the world, DJ Sorokin has already performed in Vietnam, Sri Lanka, and Turkey — bringing his signature blend of melodic techno, deep textures, and hypnotic grooves to dance floors under city lights and ocean skies alike.

As a resident of PROGRAMIQA Radio, Sorokin hosts "My DJ Way" every Tuesday — a weekly showcase of carefully curated tracks that reflect his sonic identity: movement, emotion, and groove.

Always on the move, always spinning stories through sound — DJ Sorokin is more than just a performer. He's a traveler, a storyteller, and a pulse in the global rhythm.
