“Reporting Live Part 1.” Is the most recent album created by the American Rapper, Plush Sanches, born Jerry H. Strong III, scheduled to release August 15, 2025. Plush does an amazing job applying a variety of different genres into his music. The first track is an introduction to the album. This track was a recording of a live radio station interview that Plush attended after winning, in an Atlanta HipHop showcase with DJ Pressure, leaving us with words of “Advantage and opportunity”.

It consist of seven tracks total; 1. Reporting Live Part 1. Intro, 2. Tiny Giant, 3. Throughout Madness, 4. Red Red, 5. Phantom Night 6. Dreadful Influence, 7. Dark Horseman. The primary genre is Hip Hop/ Rap, but it falls under Adult Contemporary, Alternative, and Dance.

The majority of the Album was recorded and engineered by Plush Sanches, but he did have the help of a close mentor, Son Cheeb, an Executive Co-Producer, Beat Maker, and Engineer over at BrickWallStudio. <https://www.brickwallstudioatl.com/>

After two vigorous years the album is now pending in stores for date of release, leaving suspense, curiosity, and excitement.
