

Hello and Welcome!

Sophia Fletcher is a passionate singer-songwriter and poet whose creations reflect her deep connection to Nature and authenticity.

With powerful performances, she inspires audiences worldwide with her Intimate honest artistry and environmental advocacy.

Prepare to be enchanted by the soulful melodies of Sophia Fletcher, whose music draws deep inspiration from the heart. Her authentic storytelling, woven through powerful original compositions and unique interpretations of beloved covers, creates a spellbinding experience. With a versatile voice that spans languages like English, Greek, and Romanian, Sophia's performances captivate audiences of all backgrounds. Based in the breathtaking Northern Rivers region, Sophia's musical journey has included high-profile collaborations with Green Music Australia, The Climate Music Project NYC, the National Congress of Women (Climate Congress); Canberra, Sea Shepard Australia, Bob Brown Foundation, Australian Government National Apology for Forced Adoptions, The Gold Coast and the Brisbane Disability Expo's... which is to name a few events and experiences.

ABC NEWS Australia; released an article in March 2023; with Sophia and other artists/musicians: <https://www.abc.net.au/news/2023-03-05/musicians-disabilities-sheldon-riley-pushing-boundaries/102041080>

Sir David Attenborough shared her original music on social media. 🌿🎵

Whether performing at intimate venues or global events like Climate Week NYC, Sophia brings an unmissable blend of artistry and advocacy to every stage.

**Sophia Fletcher** brings her enchanting voice and profound artistry; breathing new life into iconic songs celebrated across generations.

In Sophia's hands, these beloved melodies transform into an evocative journey, blending tradition with a modern sensibility. Her soulful interpretations resonate deeply, showcasing a vocal range that soars with emotion and draws listeners into a rich tapestry of spiritual inheritance and cultural heritage.

Sophia's music is a tribute to embracing the small, transformative moments that change us forever, ancestral guidance, unity, renewal, blending soulful melodies with evocative lyrics inspired by Nature & personal experiences and the enduring power of music.

She has the ability to create the perfect mood, performing the right song to fit every audience. Music genre: Eco Soul Folk, with a feel of Smooth Jazz. Pop. Rock. Americana and Neo Lounge. Mission Statement: "Inspired By Nature; Honouring Divine Wisdom".

Sophia's life revolves around progressing community engagement, spirituality, environmentalism, animal, disability rights, adoption advocacy and social justice outcomes through music. Sophia has been an environmental activist/advocate for over 30 years.

The latest album, "Steps Leading To You"; featuring producer; Brett Hamlyn (Warner Music), was recorded with local and European musicians; and is now available in CD and USB formats. Both albums; 'Nature of Truth' included; are currently available for digital download: [Music | Sophia Fletcher \(bandcamp.com\)](#) <https://sophiafletcher.bandcamp.com/>

Let's co-create magic and wonder together ❤️

Yours Sincerely

Sophia Fletcher
