stage plan

channel list

Channel	Signal	Needed
1	Vocals	DI Box
2	Bass	DI Box
3	Mix L	DI Box
4	Mix R	DI Box
5	Vocal Reverb L	DI Box
6	Vocal Reverb R	DI Box
7	Live FX	DI Box

Sound:

- we need 7 DI boxes and 1 mic stand for our show
- we need a sound / mixing engineer and PA system capable of providing enough bass / sub bass
- we do not need any monitoring

advisory

Light:

- we need a video projector with vga connector -> main light source
- provide haze or smoke
- let us know if there is no video projector available
- in case of a lack of video projector please provide moved moody light and avoid green light
