

FALLS
TECH SPEC 2015

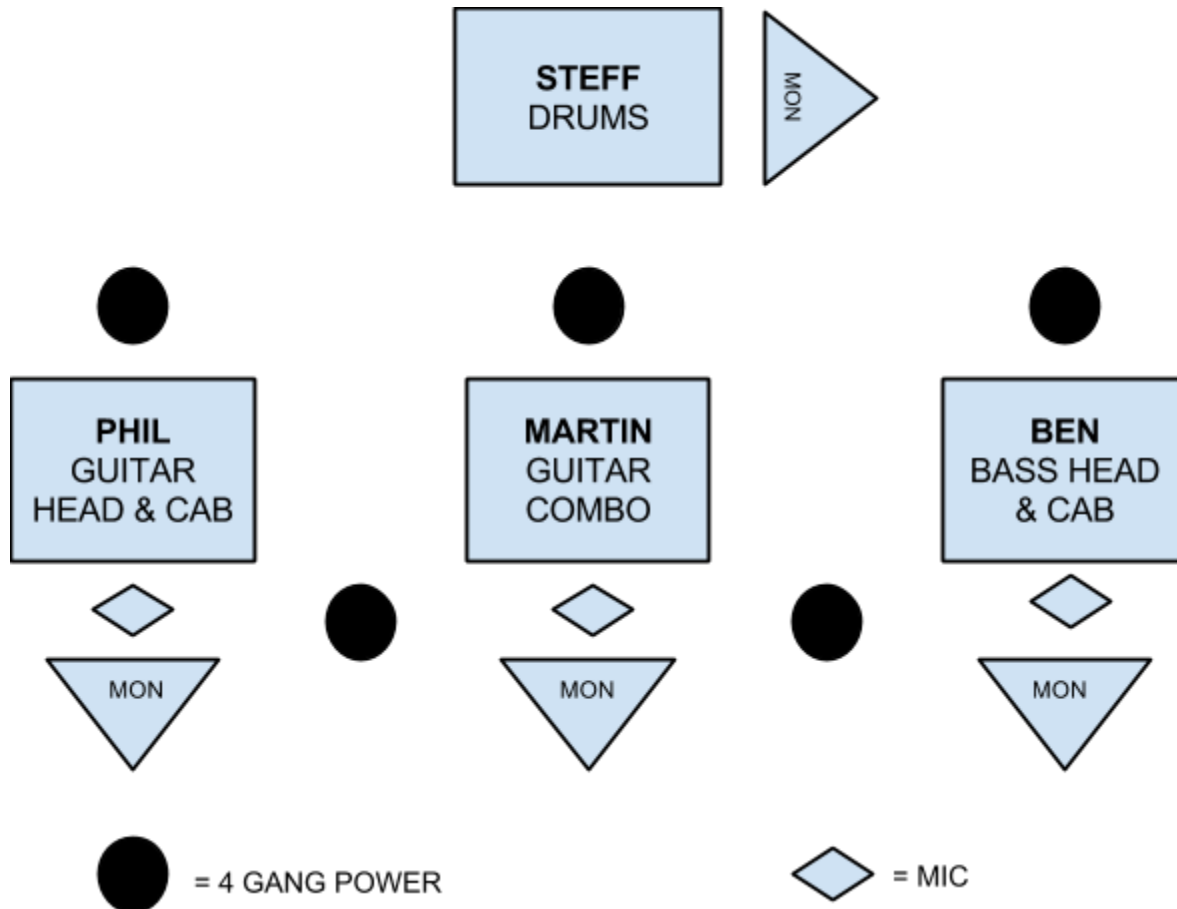

This is a very boring process, as you will know, so I'll just get straight to the point.

Line Up

- Drums
- Bass Guitar
- 2 x Guitars
- 3 x Vocals (across the front)

We have a tendency to fuck off into the crowd quite a bit, so we would prefer mic leads to be quite long where possible (ideally 10m or the longest XLR leads you can provide).

I've crudely drawn a basic stage plot for your visual delectation.

Obviously not all venues will have four monitors that we can use, so our bare minimum requirement is that our lovely drummer Steff can have a monitor that has as much of everything in it as you can muster.

If you have any other questions don't hesitate to get in touch with me via following routes:

E-Mail - fallsmusic@live.co.uk

Phone - 07807 229546

Cheers,

Ben
