

# CHRIS GOMEZ - Technical Rider

PROMOTER shall provide ARTIST with the following well-conditioned equipment:

- Three (3) Pioneer CDJ-2000 (**NOT** any other brand) (\*\*Must be updated to current firmware version)
- One (1) professional-grade **fader** mixer (Pioneer DJM800)
- Two (2) high-quality, loud monitor speakers or one (1) high-quality loud monitor speaker on the **right side**.  
**Monitor volume must be accessible to ARTIST / DJ during the performance.**  
**Monitor power must be derived from a source other than that of the house system.**
- One (1) **record line-out** with access to power source.

If equipment of these specifications is not available, PROMOTER must obtain ARTIST'S consent to the use of substitute equipment of like kind and quality. PROMOTER warrants that all equipment shall be in proper working condition. ARTIST shall not be responsible for any interruption, delay or non-performance of all or part of his performance under this contract due to failure of any equipment provided by the PROMOTER under this paragraph.
