1. Food

We are not picky. If you'd have some sandwiches with a few fruits and 5 chocolate bars, we'd be more than honoured. Also please give us five 0,5L bottles of non-sparkling mineral water for the show. There are no allergies or any diets in the crew.

2. Accomodation

Please book us a hostel, or give us a room in your home, we happily sleeping on the floor. We're still not picky.

3. If you have 5 free minutes...

...can we ask you to collect for us your TOP5 favorite local bands with their best releases ever? We'd like to know your scene.
