

MIDNIGHT AVENUE

PARTY BAND for your events

1. Introduction

Midnight Avenue is the perfect band to host your parties or any kind of events (galas, weddings, festivals, cruise line events, night clubs,...).

With a strong stage experience, our musicians and singers will make you spend a time unforgettable. Promising you a dynamic show, Midnight Avenue will take you through the ages and styles.

From the Classic's Rock and Soul of the 60's and 70's to the greatest hits of the moment, our extensive song list will allow us to perfectly match your request.

From simple acoustic duo, ideal to give an original touch to a small event to the deluxe package that includes more than 10 musicians, we offer different options to perfectly meet your demands.

Associated with a company specialized in the technical management of the entertainment world (www.uptownstudios.be), we can support the installation and the management of the entire technical devices of your event. From the audio distribution to the lights, our experienced technicians will be present to make the difference.
