

STANDARD TECHNICAL RIDER

Belime is accompanied by:

1. Programmer/Keyboardist: Using a Macintosh Pro equipped with Ableton Live along with samplers and a synthesizer.
2. Drummer: Using an acoustic drum set.
3. 2 Guitarist: Using 2 electric guitars, 1 acoustic pluggable guitar.
4. Bassist: Using a bass guitar.
5. 2 backing vocalists

AUDIO REQUIREMENTS:

We will be requiring on-stage monitors, on-stage amplifiers for the bass and the guitar, 1 (one) **Shure Beta58a wireless** microphone for Belime's vocals with a stand, 4 (two) **Shure SM58 wired** microphones with their stands for the backing vocalists, guitarist and bassist (additional vocals) – we will require, as a result, a mixer with the needed number of inputs for this setup. Also, we will require 5 (five) **wireless in-ear monitors** for the band (Belime, guitars, bass, drums).

For more information, please reply to belimemusic@gmail.com or call Mr. Karim Noujaim on 009613786200 for further assistance.
