

Pocket Dragon Technical Rider

Band Line Up (including instruments):

Vocalist: Mic+XLR
Bassist: Bass guitar + Amplifier+ DI+XLR + pedalboard
Drummer: Drumkit + Breakables, Laptop+interface for backing track with stereo out (2x 6.35mm Stereo jack)
Guitarist 1: Guitar + Amplifier + pedalboard
Guitarist 2: Guitar + Amplifier + pedalboard
Keys: Electric Keyboard + 2x 6.35mm Stereo jack or 2 XLR to DI

The band can supply all of what is listed above.

The venue will supply: PA System

At least 3 monitors

At least 9 power plugs for all the amps, pedalboards, etc.

A sound engineer

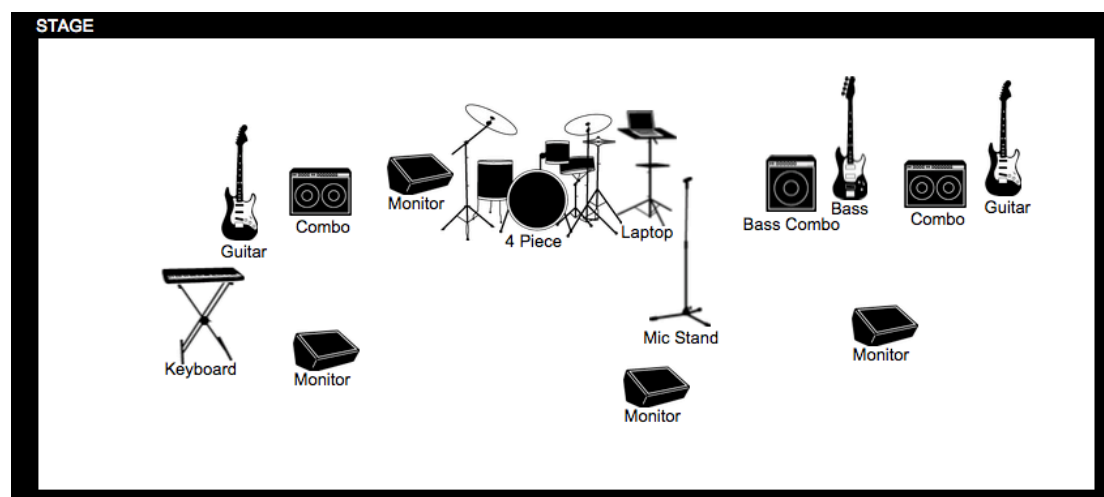

We are happy to use whatever the venue has as backline (like amps, drums, drum hardware, mics, cables etc.)

If the venue is unable to provide any of the equipment above, please contact philip van den Brandeler at pocketdragonmusic@hotmail.com so we can coordinate other arrangements.
