

# Hot & Spicy Americana Music

(or simply: The Kids of Amy Winehouse and Elvis Presley were kidnapped by a Mexican Mariachi Band and forced to write the soundtrack for the movie „Fun in Acapulco 2015“..)

*Chilli con Curtis is like a hot pot filled with hot Americana TexMex Music to the top..*

We've always loved Rock'n Roll and Roots Music! And we've always loved the Mexican and the Texan Culture... We went to Austin/TX to record songs , shoot videos and play live gigs several times. We nearly studied the TexMex lifestyle.

So why not throwing it all into one basket, we said.. And that's what we did!
