## SOUND REINFORCEMENT INSTRUMENTS REQUIREMENT

This system will have to be ready, all lines checked, under the responsibility of a technical supervisor. He'll have to take care of the PA disposition, the electrical powering quality, and the position of the mixing board.

**The mixing board cannot be under a balcony. It must be in the center and in the middle of the audience. We will not accept any other disposition !**

**Company's representative shall have the sole and absolute authority in mixing and controlling all sound equipment with which Baa Box Trio performs.**

**If a part of mixing desk must be used for other artist, it must be done with our agreement. Some channels cannot be moved.**

IT IS THE RESPONSIBILITY OF THE LOCAL PROMOTER TO ARRANGE FOR, SUPPLY AND PAY FOR THE FOLLOWING REQUIREMENTS :

### FRONT MIX

- Digital Mixing Board 32/8/2 as Yamaha PM5D, CL series, QL series (NO LS9 please) or Soundcraft Vi or Digidesign Profile, SC48 or Midas Pro6, Pro2 or Digico. Monitors should be driven thru the FOH mixing desk but it's well received to have a monitor desk. A sound technician who perfectly knows the desk is required.
- 4 FX engines in or outboard as Tc Electronic M2000, M3000, Rev 3000 or M6000, Lexicon PCM 96, Bricasti M7 (no SPX 990 please)
- 1 CD player or 1 SDcard/USB player

### PA

- L-Acoustics Dv-DOSC, Kara, Arcs, Adamson, Meyer, D&B ...

### STAGE SOUND

- 3 wedges on 3 channel mixes
- 3 coaxial wedges (minimum 12", maximum 15") (L-Acoustics, Adamson, D&B, KS, NO Martin, NO Meyer)

## MICS

See the input list + one talkback mic on the desk
