

Club of Revelation Catering Rider 2015/16

Thank you for inviting us to play at your venue. We are really easy to please (we think) and we appreciate if you could have the following items ready for us in the backstage area. Please let us know in advance if showers are available at your venue.

1. 5 large bottles of non-sparkling water, 8 small bottles of non-sparkling water for the stage. If small bottles are not available please provide a total of 9 large ones.
2. 2 six packs of beer. We prefer local variety, but anything except Becks is fine.
3. 1 six pack of non-alcoholic beer. We prefer local variety, but anything except Becks is fine.
4. A small selection of seasonal fruit.
5. Coffee. Either a thermos and 4 cups or a machine where we can get some, plus real milk.
6. Food. Please talk to us about your options for a warm meal.

Thanks in advance.
