

KATE LOMAS TECH SPEC

Our set consists of a drummer with an acoustic kit plus a small drum pad, a backing track feed coming from a laptop (via stereo out of a firewire interface), a bass guitar and one vocal. Our channel list as follows:

1. Kick
2. Snare
3. OH L/HiHat
4. OHR
5. Drum Pad (Mono out)
6. Bass (DI)
7. Backing Track (L)
8. Backing Track (R)
9. Vocal

We will also require three separate monitor mixes if possible and we will need a small table for the laptop, interface and MIDI controller.
