

# Shift it Baby

## Tech Rider

The stage has to be dry, clean, safe and with a minimal moving space of 4x3m.

Mic stands and cables, power sockets, the XLR's and an appropriate back-line should be provided.

All equipment must be in perfect working order and of professional quality. A stage hand (sober) should be available at all times.

We bring our own microphones

During our performance no background activities on stage.
