A man with a beard and tattoos is shown in profile, playing a white electric guitar. He is wearing a grey tank top with the word "PLTN" printed on it. The scene is dimly lit, with a strong red light source behind him, creating a silhouette effect. Above him, a large, complex, and vibrant orange and red light trail, resembling a firework or a long-exposure photograph of a moving light source, dominates the upper half of the frame. The background is black.

A man with dark hair and a nose ring is shown from the chest up, looking upwards and to the right. He is wearing a black t-shirt with a graphic that includes the words "MOTOR BOY" and a car wheel. He is holding a dark-colored bass guitar. The background is dark, but there is a large, complex, orange-red light trail that resembles a tangled web of fire or a long-exposure photograph of a light source moving rapidly. The text "bob herzenbrecher" is overlaid in white at the top left, "bass" is in orange at the top right, and "born '86" is in orange below it.
