

BEN PAVELEY

Technical Rider and Stage Plan

First of all, thank you for your interest in booking us for a show. Below is a list of our technical requirements. We designed this rider to try and make things run as smooth as possible on the day of the show. If there are any questions or if you have trouble with anything mentioned below, please get in touch with us before the day of the show and we will work out a solution. Thank You!

Stage Setup and Band Members

There are four band members in total, as follows:

Acoustic Guitar **AND** Vocals (Ben Paveley)

Keys **AND** Vocals (Julia Church)

Upright and Electric Bass (Danny Miller)

Drum Kit (Jake Lipiec)

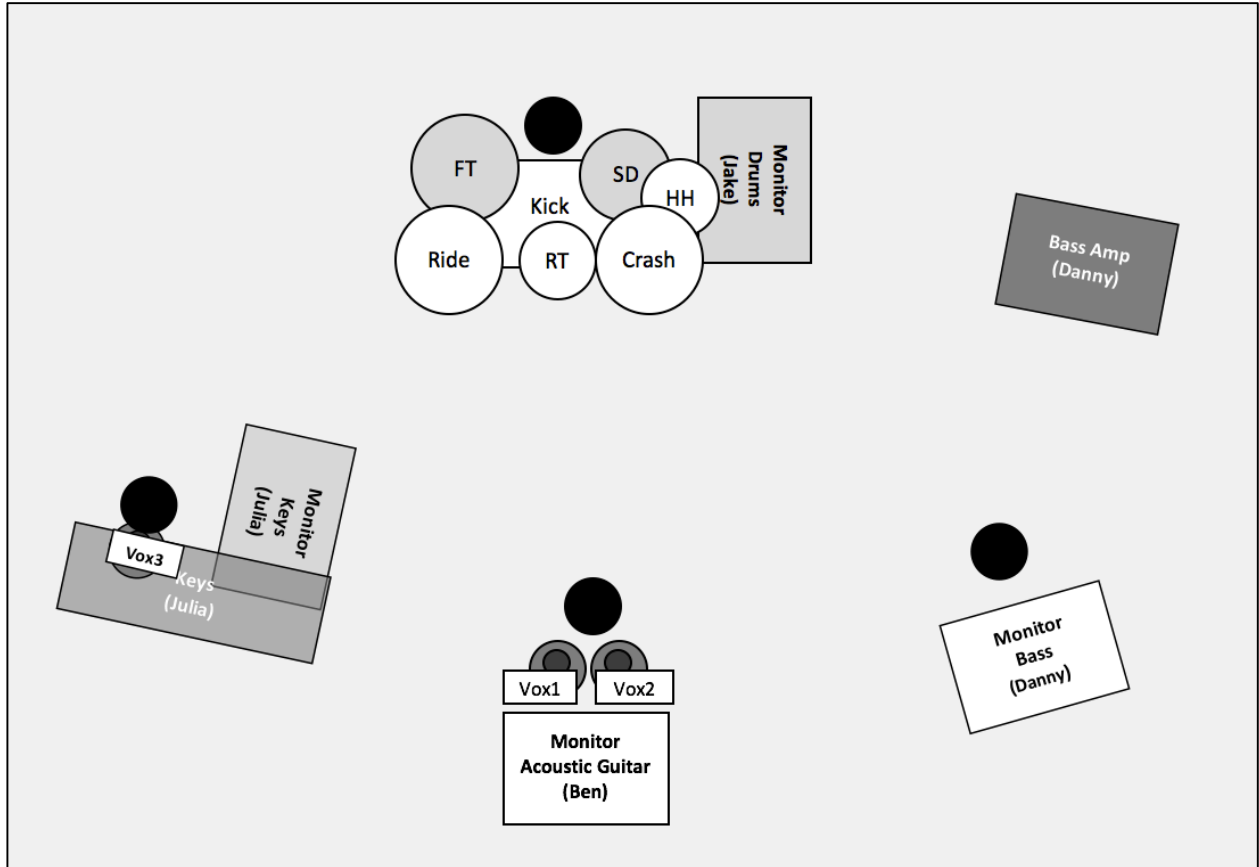

(Stage plan provided below)

Stage Plan

We fully appreciate that the set up may need to change depending on the size of the venue/equipment available. This is just a reference for an ideal set-up!

Backline and Monitoring Preferences

If arranged prior to the event, we can provide drum shells/ bass amp and keys. However, for ease of travel if a backline is available at the venue this would be appreciated.

(Input list provided below)

Input List

(The mics highlighted in red will be provided by us)

We completely understand that the mics listed as our preferences may not be available at every venue, however we would appreciate having a mic of a similar spec/quality where possible.

Input	Description	MIC/D.I. (Preferences listed, or equivalent. If in red, these are mics we are providing)	Stand Type
1	Kick Drum	Beyer M88, AKG D112	Short Boom
