**The Dangerhounds** are a four-piece indie-pop-rock band from Leeds, U.K. Despite being a fairly new band, they have generated quite a **buzz** among their listeners, who hail their catchy **sing-along choruses** and relentless energy. The band are made up of Adam Hume (Singer and rhythm guitar), Brad Moorcroft (Bass), Tris Ellis (Drums) and, the newest addition to the band, Obi-Davis (Lead Guitar).

After releasing their **debut Ep, 'Big Bad Wolf'**, each track of which was broadcast on **BBC West Yorkshire**, The Dangerhounds are actively gigging around the North and are committed to leaving audiences breathless after each and every one.
