

RILI DOPE

Their songs are about hard human problems, that is why they play heavy metal riffs. Their music is a vigorous and honest rapcore.

The musical skills of the Rili Dope bandmates were influenced by such artists as Korn, Limp Bizkit, Linkin Park, Paul Gilbert, Zakk Wylde, Rage Against The Machine.

They began their journey in 2012. They are tough and motivated.

They make new fans wherever they go. They set goals and reach them.

They had a dream - to play on the same stage with their idols who had awakened rebel artists in them.

In 2012, they played the opening act at Limp Bizkit concert in Moscow, and in 2015 - as opening band with Linkin Park in their hometown Minsk, after a hard competitive selection act.

Dreams come true! It adds to the musicians' confidence.

Early in its existence, Rili Dope band recorded a full-length album and one single. The next step is a concept album.

They do not like routine and futile living in this world. *"Life is a hotel – signing in, signing out"* (Rili Dope. Tetris / Boosted Rooster)

They strive to change the boring world with their art. They have great plans and an abundance of energy.

Their numbers on fan community is growing rapidly. Because they bond with their audience like brother with brother.
