

Nishe -Technical Rider

Thank you for booking Nishe for your event! This rider provides you with information that will help your event run smoothly.

If any areas are unclear, or you have problems meeting the requirements of this rider, don't hesitate to contact the management.

We sincerely appreciate the opportunity to partner with you and we are eager to help you.

- Requirements

we expect you to supply this technical equipment on stage:

- 1 mic for vocals
- 1 guitar amp
- 1 bass amp
- 1 keyboard stand
- 2 D.I. mono (we will provide a Stereo D.I. for the Keys outputs)
- Drum kit, preferably 22" bass drum (we will bring Cymbals and Snare).
- multiple power plugs (one for each member of the band)
- where possible 3 monitors (one for each member of the band)

Lead vocals mic effects will be sent through the laptop on stage. However we appreciate where possible to have compressions and EQ available on the mixing desk.

Band line-up:

-Giovanni Zappa_Lead vocals, guitar, electronics...

-Harlod Wilson_Bass

-Nicolas Py_Drums
