Notes to stage plan/ Technical Rider

Contact person for any questions:

Andrey Shvachko, tel: +357 99765203, e-mail: a@summertimefamily.com

People on stage:

Andrey: Guitar, vocal.

Vlad: Bass

Stelios: Drums

Equipment provided by the band:

Drums: All cymbals, BD pedal and the snare drum.

Guitar: Guitar, pedal board, all cables from guitar to pedal board to amp.

Bass: Bass, pedals, cables from bass to pedals to amp.

Vocals: mic, Helicon Voice-Live vocal processor (see additional notes below), cable from mic to processor

Equipment Preferences:

Guitar amp preference: Marshall or similar 4x12", mic

Bass amp preference: Hartke or similar 4x10", mic or DI

Drums: standard set with stool, snare stand, hi-hat stand, 2 toms (10" & 12"), floor tom (14" or 16"), stands for 2 crash and 1 ride cymbals.

Monitor Mixes:

Mix 1: general mix with boosted vocals with some reverb

Mix 2: general mix with boosted Bass Drum and Bass

Mix 3: general mix

Additional notes:

Vocals: [Helicon Voice-live vocal processor](#) has 2XLR outputs, one for wet signal and one for dry signal. Wet signal is used for vocal harmonies.
