

# Hospitality rider Take down the sun

What we would like in our backstage:

- 10 bottles of water
- 1 case of beer
- 4 bottles of soda
- 1 grilled cheese sandwich for the lead guitarist
- Some snacks, preferably fruit

We would like to have dinner served half an hour before the soundcheck and we prefer healthy food. We don't have any vegan or vegetarian members in our band. And we also don't have any allergies.
