

# Setter Pointing

## **IMPORTANT**

*This rider is an integral part of the contract to which it is annexed.*

## **SETTER POINTING – RIDER 2016**

### **1. Backstage**

One clean and lockable dressing room is required. Please provide still water and 4 free drinks.

### **2. Stage**

Please provide 4 small bottles of still water on the stage (NO GAS).

### **3. Dinner**

For 2 pax.

### **4. Overnight**

2 single rooms, en suite bathroom.

### **5. Projections**

The band usually projects a video show for the entire duration of the gig. In this case, it is required an adequate monitor/backdrop (according to the size of the stage) + a projector – 3000 ansi lumen minimum (suitable just for small/medium clubs)

#### **IMPORTANT: audio lighting service:**

Prearrange a system for the placement of the projector and an adequate space for the monitor. Verify that lights will not be in conflict with projections.

### **6. Instruments**

Artists will bring their own instruments and will not share any of them with other bands.

### **7. Audio-video recording**

Audio and video recording is forbidden without prior permission from the band.
